A Voice whispers from deep within,
Rake the leaves of pointlessness,
Let the darkness end today.
See the bluest of sky,
Feel the lush green grass,
Touch the extraordinary soul with the dance in
your eyes and
with warmth of your heart

I love myself for being in love with you.
How beautiful love is.
You never cease to amaze me.

Your Mind
Your Ideas
Your Wish
Your Thoughts
Your World
Your Imagination
Your Dreams
Your Belief
Your Vision
Your Trust
Your Instinct

It has all got to do with you.
It is all in your head, right there.
Fly as high as you can.
That's the beauty of the mind

You are that unexpected beautiful thing that
happened to me at the most unexpected time of
my life.

My Life,
Unpredictable it is,
Interesting it gets.
It is beginning to unfold its beauty as time is
passing by.

With Age,
I am older, wiser, and my feelings come and go
as they please.
They don't get in my way, and they don't
blindfold the cup of reality.

I can never say goodbye to you.
There isn't a single day that goes by without you
crossing my mind.

Yet,
I can let go,
and
You will still be part of the stack of my beautiful
memories in the book of my life.

Listen to her silence.
It is her soul's profound way of expression.
If you can reach her beyond touch and
spoken words,
She is yours forever.

Eat lots of cake,
Love me more,
Pull me closer,
Hug me tighter,
Kiss me longer,
Hold on to me forever,
I am worth it all.

I like you just the way you are.

Love the way you smile,

Love the way you talk,

Love the way you laugh,

Love the way you tease,

Love the way you walk,

Love the way you kiss,

Love the way you hug,

Love the way you love me.

My day begins with your smile.
My day ends with your smile.
The rest is illusionary.
How can your love be so poisonous?
How can our souls talk?
How can our connection be so vibrant?
There's an inner beauty to be captured beneath
our magical world.
The deepest insecurities, the darkest truth,
and
The fire in my soul brings out the fearless me.

Everything changed when I met you.

Dreams do come true.
You think big,
You think happy,
You work hard to make them come true.

Dreams are real.
Dreams are true,
Sometimes they are dangerous.
They make you wonder,
They leave you in awe,
They leave you surprised.

Sometimes, Dreams make you happy.
Sometimes, Dreams teach you what life doesn't.
Sometimes, Dreams are bitter,
Some dreams are to be cherished forever.
