Universe

Universe is big and black and it shines,
It controls me and all the situations of mine.
It gives me happiness and strength and faith,
It makes me believe in God and hope.

Universe is big, black, white, infinite,
It gives me love, care, support and life.
Universe controls my Karma and Destiny,
It gives me strength to be what I wanna be.

Soldiers

They sacrifice their life,
They lose their blood.
They protect us,
They are our Soldiers.

They bear heat, they bear cold,
They bear the feeling, of living alone.
They die for us,
They are our Soldiers.

They are tough, they are attentive,
They work hard, to make sure,
That we are safe, they are our Soldiers.

Blessed

You are blessed, if you're alive,
You are blessed, if you're healthy.
You are blessed, if you're independent,
You are blessed, if you have a shelter.

Many people starve,
Many people die.
Many people struggle,
Many people cry.

They cry for food,
They cry for shelter.
They cry for health,
They cry for life.

You are blessed, if you're alive,
Many people starve, many people die.

Never say sorry

Never say sorry for,
Being yourself, loving yourself.
Never say sorry to,
Live your dreams, win your goals.

Never say sorry for,
Asking questions, being stupid.
Never say sorry for,
Being happy, living your life.

Never say sorry for,
Being proud and confident of yourself.

Life

You make me happy, you make me sad,
You take me up and, you pull me down.
You teach me lessons, in every moment,
You give me experiences, I never forget.

You make my day, you break my day,
Sometimes you're my favourite,
Sometimes you're my enemy.
You make me struggle,
You make my dreams come true.

You make me win, you make me lose,
You make me love you, you make me hate you.
You are the chance I have got only once,
You are life.
